

Instructions for Gather and how to survive at Eshel Pride Event!

The Gather documentation is here <https://gather.town/docs>
Also you can “try out the demo” here <https://gather.town/>

Important things

1. **Gather works best under the chrome web browser on a computer. Smartphones and tablets are not supported.**
2. You and other participants are represented as avatars.
3. Use the arrow keys to move your avatar around.
 - a. Distance/Closeness is important to interact with an object. So, in order to see, hear, and interact with a person, you need to be within a close distance.
 - b. Locations include:
 - Rainbow Way (Pride March)
 - Barroom & Lounge
 - Parents Townhall
 - Trans & Non-Binary Meet & Greet
 - Imaginarium
 - Eshel Local Chapters & Wannabes
 - Piano & Game Room
 - Lost & Found/Help Desk
 - Steve's Beit Midrash & Shiur
 - Mixology Lab
4. At the bottom, you will see a long oblong menu with your name and settings:

- a. Avatar - Change character, change name, appearance.

- b. Name - Status, preferences, reset position (to middle of map).

- c. Minimap - See the whole map at once.

- d. Screenshare - also known as Screamshare.

- e. Emojis - Always fun.

5. The left menu has (bottom to top)

6.

- a. Participants - Click this to see who is on the map. Clicking a Participant allows you to follow them or locate them.

- b. Chat - use the keyboard to communicate with other participants.

- c. Calendar - Not used.

- d. Build - Only for map owners.

- e. Settings – Mostly not relevant.

f.

Gather icon - Link to the gather FAQ, etc.

Hotkeys and Shortcuts:

1. (Ctrl/⌘ P) - User/Video Preferences.
2. (Ctrl/⌘ U) - Turn On/Off Quiet Mode.
3. (g) - Enter ghost mode and walk through other participants.
4. (x) - to interact with an object or to select a subset of objects in Erase Mode.
5. (z) - make your avatar dance

Important Icons

Objects that are interactable will be highlighted in **yellow** when you get close to them. Look for

the popup right above the setting menu.
